

Building

High School Special Schedule Tanzania

Welcome to our High School Special Building Project in Tanzania! Are you ready for a once-in-a-lifetime experience working with the local community and exploring this beautiful country?

Programme Goals:

► Building & Renovation:

Make a lasting impact on the community by improving the schools and centres where you'll be working. Contribute to renovation work by renovating a school in need. You will learn local building techniques and leave a lasting impact on underserved communities in the country..

► Cultural Immersion:

Immerse yourself in the vibrant culture of Tanzania through captivating experiences, such as witnessing traditional dances, engaging in conversations with locals, and savoring the flavors of authentic Tanzanian cuisine, all while making a meaningful impact through your volunteer work. Embark on an enriching journey alongside fellow volunteers, forging lifelong friendships and creating memories as you visit iconic landmarks, and marvel at the awe-inspiring beauty of Tanzania, including its stunning wildlife and majestic landscapes.
